

2024 Election to the PERA Board of Trustees – Retiree Position

INVESTED IN TOMORROW.

On January 9, 2024, the PERA Board adopted a resolution calling for nominations for one state member position; one municipal member position and one retiree member position.

PERA Board members are fiduciaries to the various PERA funds and must prudently administer the retirement systems for the sole and exclusive benefit of PERA members, retirees and beneficiaries.

The Retiree position has a four-year term to begin January 1, 2025. PERA Rule 2.80.200.60(B) NMAC requires that to be eligible candidates for any retired board member position shall be “receiving a disability or normal retirement pension under the Public Employees Retirement Act, Judicial Retirement Act or the Magistrate Retirement Act”. Survivor beneficiaries are not eligible to run or vote in the election. Candidates must obtain a minimum of 50 valid* signatures on their nominating petitions (PERA Rule 2.80.200.60 (C) NMAC). The five candidates with the most signatures will be included on the ballot for the 2024 election.

Candidates may make as many copies of the blank nominating petition form as they need and may fax or e-mail it to others to secure signatures. However, all signatures on the petition must be original signatures to be counted (faxed/e-mailed forms are acceptable but faxed/e-mailed signatures are not).

Every nomination on every petition is verified by comparing the information provided on the petition to the information in the RIO pension administration system. Every effort to accept the nominations is made, but individuals should use their full legal names, rather than their initials or nicknames to facilitate nomination verification. Individuals signing a petition may use one of the following as the required additional identifier: social security number, date of birth, or PERA ID number. Individuals may sign the petitions of more than one candidate for their particular coverage group.

Nominating petitions with original signatures must be received at Automated Election Services, 7000 Zenith Ct., Rio Rancho, NM 87144-6467 by 5:00 pm Monday, April 15, 2024 to be counted.

If you are a PERA retired member and would like to request nominating petitions, please contact Automated Election Services at 1-800-833-5568 ext. 6534.

**Valid - only retired members of PERA may sign the nominating petition.*
