Performance Related Comments

Performance shown is gross of fees unless otherwise noted. Fiscal year ends on June 30th. Performance is preliminary and subject to change.

"Inception Date" refers to the first full month following initial funding. "Inception Date" for Alternatives is as of the first funding of the asset class.

Indices show N/A for since inception returns when the fund contains more history than the corresponding index.

The Cash Equivalent Composite return includes tax reclaims on two bond issues which were received by the Corporate Action Clearing Account. This accounts for the additional return over the JP Morgan STIF account in the longer-term periods.

Updated returns for the NCREIF Property Index are currently unavailable for use in calculating the Long-Term Target Allocation Index and the Real Estate Custom Index. As such, a 0.00% return is assumed for the NCREIF Property Index. Therefore, returns for these custom indices are preliminary and subject to change.
