Letter from the Board Chair

Dear Member:

In August, PERA will conduct an election to fill a position for a State representative on the PERA Board.

The Board oversees the PERA Fund, currently at \$14.5 billion, and oversees the PERA benefit for 55,000 active members and 35,000 retired members. Board members are your representatives and make important decisions that affect you and future members of PERA. As the saying goes, “your vote is your voice” and the upcoming election is your opportunity to have a voice in the future of PERA. If you are eligible to vote for the State representative, please take a moment to do so when you receive the ballot in the mail.

On behalf of the Board, I would like to take this opportunity to congratulate Board Member Dan Esquibel. For the past year, Dan has served as a Municipal representative on the Board, having been chosen to finish the term of a previous Municipal Member who resigned. He has been an important member of the Board and we congratulate him on his election to a new, four year term.

As always, I want to thank all of PERA’s employees for the work they do for our membership. I know we have a group of talented, hardworking employees at PERA and they help carry out the Board’s priority of providing excellent service to our members. We can always do better though and the Board appreciates hearing from you on how we are doing. Over the next several months we will be reaching out to our members to see how we can enhance our communications with you and we expect to see improvements in our web site and other outreach tools in 2014 and 2015.

Again, look for your ballot in August and be sure to vote!!

Patricia “Patty” French
Board Chair

MISSION STATEMENT

The mission of the Board of the Public Employees Retirement Association is to preserve, protect, and administer the Trust to meet its current and future obligations and provide quality services to association members.

PERA Wants Your Help

PERA is developing a new strategic plan and we would like to hear from you! As part of PERA's long-term planning process, PERA has brought together a diverse group of PERA employees to develop a strategic plan that will guide PERA for the next five years. This group will be seeking input from stakeholders throughout the state, including PERA's active members and retirees. In addition PERA will be requesting participation from PERA's executive staff, managers, staff, the PERA Board, contributing employers and others.

be compiled and reviewed and then used to prepare a strategic plan by December 2014. This plan will guide the agency until 2020. Once completed, the strategic plan will be used to improve communication within the agency and have an ultimate goal of improving services provided to all of our members and retirees.

As members of PERA's pension fund we encourage and value your input with this process. Your feedback will be anonymous and the member and retiree survey will be short.

Thank you for your important contribution. You can access and fill out the survey on the PERA website at www.pera.state.nm.us.

PERA is anticipating that information from all stakeholders will be gathered over the summer and will

It is Election Time

2014 Election to the PERA Board of Trustees

On April 25, 2014, the PERA Election Committee met to verify the candidates for the 2014 PERA Board election. The Committee's report was accepted by the PERA Board on May 13, 2014.

Current Board member Dan Esquibel was the only individual who submitted nominating petitions for the Municipal Member position. The Election Committee verified that Mr. Esquibel submitted the required 150 signatures to be an eligible candidate. PERA rules state that if only one person is nominated for a non-retired Board member position, the election shall be cancelled and that person will automatically be declared the winner for the position. As a result, the PERA Board cancelled the Municipal Member position election for 2014 and declared Mr. Esquibel the winner. Mr. Esquibel will start his new term of office in January 2015.

The PERA Election Committee verified the signatures for the three candidates for the State Member position. Those candidates are Tirzio Lopez, Annette Martinez-Varela and Roman Jimenez. Information for each candidate is under the State Election Information section on page 3.

PERA will mail out the ballots for the state election on Friday August 15, 2014 to members who are currently under the state retirement plan. Ballots need to be received by the Main Santa Fe Post Office by noon on September 19, 2014 to be counted. Ballots received after this date are invalid and will not count toward the election results. Please make sure you vote early so your vote will count.

For further information on the election process contact Karen Risku, PERA Deputy General Counsel, at 505-476-9351.

You Asked the Question

Q : I have a couple of questions regarding my PERA account. I was employed with the State of New Mexico from November 2012 to February 2014. Upon leaving the state, I elected to keep my PERA account active. My questions: can I roll my PERA account into another retirement plan, and how do I find out what my current balance is in my account? I appreciate any help you can offer.

A : You will need to complete a PERA Termination Notice and submit the original document to PERA to request a refund or rollover of your member contributions. Since it has been less than one year since your termination date, your employer must complete the top portion of the form and you complete the bottom portion of the form. If it had been longer than one year since your termination date, you would state the termination date at the top and complete the rest of the form. PERA will need copy(s) of your divorce decree(s) and property settlement agreement(s) if you have been divorced while a PERA member. Only a divorce decree is required if you were divorced before becoming a PERA member. Once PERA has received the original PERA Termination Notice, it generally takes 45 - 60 working days to process refunds and rollovers. Your refund check or roll-over letter will be mailed to you as soon as your request is complete. For refunds, PERA will withhold 28.5% in state and federal taxes and if you are under the age of 59 ½ you will pay an additional 10% early withdrawal penalty to the IRS. Taxes are not withheld for rollovers.

If you are currently married, your spouse's signature will need to be notarized at the bottom of the form.

To find out your account balance and the net amount after taxes, call 1-800-342-3422 and follow the instructions for an active member.

Q : I am currently an employee of one of the local counties, enrolled in the PERA program, and I have a question. I am inquiring whether there is a way to withdraw my current contributions without having to leave my job, due to an economic hardship? I don't need to withdraw my entire contribution. I have been an employee of the county for over five years at this point.

A : PERA does not have provisions for general loans, loans for first time home owners, emergency, partial or hardship withdrawals while still employed by a PERA-affiliated employer. The only way to access your PERA member account is to terminate your position and request a refund and/or rollover or to qualify for retirement. You cannot be rehired by a PERA-affiliated employer for 30 days if you request a refund of your PERA member account. Only the member contributions and interest are available for refund. The employer contributions are never available for refund.

Q : I previously worked for a municipal PERA employer for 7.75 years ending on 2/28/13. I left my contributions on account. I began employment with the State of New Mexico on 5/12/14. What TIER am I in and how does this affect my PERA?

A : As of July 1, 2013 PERA has two different TIERS for members. If you had an account balance as of June 30, 2013 you are a TIER 1 member. If you had a zero account balance or you are brand new to PERA on or after July 1, 2013 you are a TIER 2 member. Once you are in a specific TIER you will always be in that TIER even if you change employers or terminate your position and refund your money.

Since you had an account balance as of June 30, 2013, you are a TIER 1 member and would qualify under the TIER 1 retirement eligibility requirements. You would also use the TIER 1 vesting requirements and pension factors.

2014 PERA Annual Meeting

The meeting will take place in the Senator Fabian Chavez, Jr. Board Room in the PERA offices located at 33 Plaza La Prensa, Santa Fe. All members and retirees are welcome to attend. The winner of the 2014 State Board election will be announced during the annual meeting.

PERA Fund Status

For the current fiscal year through May 31, the PERA Fund is up more than +15%. The PERA Fund is at an all-time high of \$14.5 billion as a result of this strong performance. This record high reflects a full recovery of the losses from the financial crisis and recent recession. The PERA Board is focused on continuing this upward trajectory of strong, stable returns. Specifically, PERA is in the process of adjusting the composition of its investment portfolio to best position the Fund going forward. The broadly diversified investments in the PERA Fund will be reallocated to position its investments to deliver long-term, consistent returns for PERA members.
