

2021 Election to the PERA Board of Trustees – State Position

On January 12, 2021, the PERA Board adopted a resolution calling for nominations for one state member position and one municipal member position.

PERA Board members are fiduciaries to the various PERA funds and must prudently administer the retirement systems for the sole and exclusive benefit of PERA members, retirees and beneficiaries.

The state position has a four-year term to begin January 1, 2022. Only vested* members employed by a state employer may run for this position. Candidates must obtain a minimum of 150 valid** signatures on their nominating petitions (PERA Rule 2.80.200.70 (A) (3) NMAC). The five candidates with the most signatures will be included on the ballot for the 2021 election.

On January 28, 2021, the Board of Trustees voted to allow for electronic signatures. Candidates may make as many copies of the blank nominating petition form as they need and may fax or e-mail it to others to secure signatures. All signatures do not need to be the original signature to be counted.

Every nomination on every petition is verified by comparing the information provided on the petition to the information in the RIO pension administration system. Every effort to accept the nominations is made, but individuals should use their full legal names, rather than their initials or nicknames to facilitate nomination verification. Individuals signing a petition may use one of the following as the required additional identifier: social security number, date of birth, or PERA ID number. Individuals may sign the petitions of more than one candidate for their particular coverage group.

Nominating petitions with signatures must be received at Automated Election Services, 7000 Zenith Ct., Rio Rancho, NM 87144-6467 by 5:00 pm Monday, April 12, 2021 to be counted. The petitions can also be emailed to emarquez@electionpeople.com.
