2023 Election to the PERA Board of Trustees – State Position

On January 10, 2023, the PERA Board adopted a resolution calling for nominations for one state member position; one county member position and one retiree member position.

PERA Board members are fiduciaries to the various PERA funds and must prudently administer the retirement systems for the sole and exclusive benefit of PERA members, retirees and beneficiaries.

The state position has a four-year term to begin January 1, 2024. Only vested* members employed by a state employer may run for this position. Candidates must obtain a minimum of 150 valid** signatures on their nominating petitions (PERA Rule 2.80.200.70 (A) (3) NMAC). The five candidates with the most signatures will be included on the ballot for the 2023 election.

Candidates may make as many copies of the blank nominating petition form as they need and may fax or e-mail it to others to secure signatures. Original and electronic signatures will be accepted.

Every nomination on every petition is verified by comparing the information provided on the petition to the information in the RIO pension administration system. Every effort to accept the nominations is made, but individuals should use their full legal names, rather than their initials or nicknames to facilitate nomination verification. Individuals signing a petition may use one of the following as the required additional identifier: social security number, date of birth, or PERA ID number. Individuals may sign the petitions of more than one candidate for their particular coverage group.

All nominating petitions must be received at Automated Election Services, 7000 Zenith Ct., Rio Rancho, NM 87144-6467 by 5:00 pm Monday, April 10, 2023 to be counted.

If you are a vested PERA state member and would like to request nominating petitions, please contact Automated Election Services at 1-800-833-5568 ext. 6534.

**vested - having the minimum amount of age and service required for normal retirement. Refer to the PERA Member Handbook on page 10 for further information on vesting.*
